Parent comment Mrs Aldred is always available and helpful if needed. Definitely. I always feel that I can approach any teacher. Mrs Crow and Mrs Beaton are lovely and very supportive of our twins. We are extremely impressed with the teaching and teachers in Unicorn Class. They are very enthusiastic and encouraging. My child absolutely loves coming to school to see them and learn more.				

7) I feel that I can speak to the Headteacher if I have a further concern or problem which the school needs to be aware of.

Parent comment She is always there if I have any concerns. Mrs Kerrell has always responded to any concerns very promptly. Sometimes I feel that Mrs Kerrell is very busy but I know I could talk to her if I asked. The communication and support from Mrs Kerrell is fabulous. Never needed to approach Mrs Kerrell but know that she has an 'open door' policy.

Parent comment Mrs Kerrell has introduced lots of different activities and school outings. There are plenty of extracurricular activities and visits.				

10) I believe that the amount of homework that my child receives is correct for their age.

Parent comment Sometimes the homework can be quite complex and I don't think children should have homework in the holidays. At this stage the 'paper based' homework is the easiest to work with, but continued use of the internet is important in helping children to become 'keyboard happy' and proficient in using IT.				

12) I am happy with the way that the school communicates with me as a parent

Strongly disagree	Disagree	Agree	Strongly agree	No Opinion
	3% (2)	53%(36)	44% (30)	
Parent comment Sometimes this could be clearer but it has definitely improved recently Texts/ emails sent out earlier if possible. Would prefer more advance notice of trips and events.				

Any other comments or suggestions you wish to make.

Parent comment Very happy with the school and teachers. We are very happy with the school dinners and wish to thank Theresa I am happy with the school, a lot has changed and it has been handled well. This school has made my children more enthusiastic about a great many things...particularly Science, Maths and Reading. Great Bardfield is a fantastic community school. I am really pleased with my child's progress and the way in which she is having support in some aspects of her learning is reassuring. I'm very happy with the school. My children have both asked to come to school at the weekend, so that says it all. I would like to take this opportunity to thank all the teachers, LSAs and Mrs Kerrell for achieving such an amazing school. Very proud parent.
