

30th March 2017

Dear parents

We are delighted to be holding a Bring Your Pet to school afternoon on Thursday 20th April. We will be holding this in the hall from 1.30pm and children will come and visit the pets in small groups throughout the afternoon.

If you would like to bring your pet along and they meet the criteria below then please sign up using the slip below.

Pets must be:

- 1) Child friendly-not nervous or fretful around children.
- 2) Not pregnant.
- 3) Easy to control-owners must keep their pet with them at all times.
- 4) Clean and flea free
- 5) Not classed as a dangerous animal.

If you are bringing you pet along please make sure that you have everything they need to stay happy during the afternoon. It is the owner's responsibility to clean up after their pet please including any poo on the field.

We must receive your slip no later than Wednesday 19th April at 9.00am so that we can make arrangements in the hall for the number of pets we have.

Many thanks

Mrs Kerrell
Headteacher

I would like to bring my pet _____ called _____ to the Bring Your Pet Afternoon on Thursday 20th April. I understand that my pet must meet the given criteria to take part in the afternoon.

Signed _____ Date _____
