

Through PSHE and Computing, we will be learning to:

- Stay safe on the internet, create secure passwords and digital footprints;
- Considering how we can show empathy to others
- How we can make a contribution to stop Global Warming

In our other Foundation Subjects we will be:

- In French we will be learning simple greetings and names of classroom objects. We will be learning colours and how to count to 100
- In RE we will be learning about Hinduism learning about Brahma and Hindu feasts
- In Design Technology we will be looking at rationing and its impact in WW2 and the 'Make do and Mend' campaign;
- In music we will be developing our singing through ballads/anthems using the Charanga music programme plus preparation for Harvest and Carol Services;
- In PE we will be developing catching and throwing skills and developing fitness levels and resilience.

WILD WEATHER AUTUMN TERM LEPRECHAUN CLASS

As historians and geographers, we will be studying World War 2 through:

- Learning about key events in the war, their causes and consequences;
- How people's everyday lives were affected during the war;
- What it was like to be an Evacuee during the World War 2
- In Art represent events during WW2;
- Our trip to The Imperial War Museum at Duxford

In our Science we will be:

- Considering how extreme weather occurs;
- The impact on weather of global warming;
- How people can use different materials to protect their homes;
- After Half Term we will be learning about the Sun, Moon and Solar System.

Homework is set on Thursdays back in by following Wednesday. Spellings are tested and new lists set on Fridays. Reading and times tables should be practised at home daily. Reading diaries need to be signed and in school every day. PE is on Wednesdays and Fridays
