Newsletter No 21 Friday 8th April 2016

The newsletter will be circulated to all parents every Friday. Newsletters are also held centrally at the School Office and are on the website.

Review of the Spring Term

What a fantastic end to the end of a very busy term! The children loved seeing the Easter Bunny in assembly and then had a wonderful time hunting for Easter Eggs.

We would like to sincerely thank parents and carers for all of their support this term. We feel that the children are reaching the higher expectations of the new curriculum and are achieving this through our partnership with you. We hope that you found the STEPs sheets that were given out a Parents Evening useful; these are so important for helping your child to achieve as much as they can and to make progress.

We are very excited about the Summer Term as it will be fantastic to get the children outside for their learning. We have lots to look forward to including our whole school day out on the 19th April and then further into the term our Sports Day.

Clubs-very important information!

We will start **free** early clubs again in the first week after Easter but do please note that there will not be a club on Monday mornings next term. Gymnastics on Tuesdays, Football on Wednesdays and Dance on Fridays

After school sports clubs will run as normal but from the **second** week back after Easter.

You will be able to sign up for **free** Teacher's clubs, which will start in week three and will run on Mondays, Wednesdays and Thursdays. Exciting new clubs will include gardening and Cheerleading

The sign-up sheets will come out on the first Friday back.

Whole School Day Out

By now you will have received your letter explaining our plans for Tuesday 19th April. Please return your permission slip and payment as soon as possible to the office.

We are very grateful for the generosity of all of our parents, who through fundraising with FOBS, have contributed £500 towards the cost of the coaches. This has brought the cost down by £3.00 per child.

SATS 2016

A huge well done to the 16 children who were able to attend the two SATs revision sessions that we ran on the 4th and 5th April in the holidays. They will get a special mention in our next Celebration Assembly. They have earned lots of extra Housepoints for their teams.

We would like to sincerely thank Mrs Clough, Mrs Brandl and Mr Beanland for also giving up their time to come in and help to support the children with their learning.

A reminder that SATS week will be week beginning 9th May.

Sports Relief

A huge well done to Cerys Williams who completed her swimming marathon in aid of Sports Relief. We will hear more from Cerys at our next Celebration Assembly.

Celebration Assembly

Just a reminder to parents that everyone is welcome to attend Celebration Assembly even if your child is not receiving an award. We always put a note on the newsletter if the time changes but they are usually on Fridays at 2.15pm.

Awards

Well done to Henry Winsborough, Sebastian Venner and Benjamin Yarrow who all received Headteacher Awards in our last Celebration Assembly.

We will give out 100% attendance certificates, for this term, at our next celebration assembly.

We would like to wish everyone a happy and restful weekend.
