

Sports Premium Funding Report 2017/2018

At Great Bardfield Primary school we want our children to be active, fit and healthy. We feel that all children should take part in physical activity every day and are striving to provide as many opportunities for this as possible in the school day.

Following Government guidance schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that schools should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

In 2017-2018 the Sports Premium for Great Bardfield Primary School was £8,470. We allocated the funding as follows:

Activity	Amount Allocated	Impact Seen
Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively.	£500 For external staff training and interactive planning resources	Teachers have increased confidence with teaching specialised PE such as gymnastics
Hire qualified sports coaches to work with teachers to enhance or extend current opportunities	£1000 £1000 for Premier Sports to run 3 free early morning clubs for pupils £200 to provide INSET training for staff across the school year. £100 for Premier Sports to attend Sports Day and other events / competitions that children attend	Premier Sports run 3 free early morning clubs for pupils and this has resulted in pupils having better learning behaviours and children being fit. Teachers work closely with coaches and understand how to teach targeted PE lessons resulting in improved quality of teaching. Teachers feel supported by specialist coaches when they attend external competitions.
Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities	£3,000 One morning per week we have a dance teacher who teaches dance across the school.	Children are showing improvements in their gross and fine motor skills. They are more co-ordinated and their confidence has improved. In assemblies and productions children have improved speaking

		and listening skills Children are joining dance and drama clubs outside of school which is leading to raised self-esteem.
Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs	<p>£500 Premier Sport offer an intervention session once per week for children who have been identified as having little confidence or an aversion to taking part in sports.</p> <p>£500 Premier Sport offer 2-3 Holiday Club sessions each holiday and 6 sessions throughout the summer and all school holidays.</p> <p>£300 The swimming pool is made available for children to swim in the summer holidays.</p>	<p>Children's' confidence and self-esteem have been raised with working in small groups and building their skills. They are happier and less disruptive when taking part in whole class lessons.</p> <p>Children have health benefits from coming in to school and being active in the holidays rather than sitting at home. Parents feel reassured that their children are being looked after and offered opportunities to take part in sport in a safe environment.</p>
Partner with other schools to run sports activities and clubs and enter or run more sport competitions	<p>£900 Membership of the Dunmow Sports Partnership</p> <p>£1,500 Transport to and from School Games activities and competitions</p>	<p>The children benefit hugely from Great Bardfield Primary School being part of the Sports Partnership.</p> <p>Children have the opportunities to take part in events which allow them to develop or improve their skills eg; Year 3/4 and Key Stage One Athletics Festival.</p> <p>Children are also encouraged and have the opportunity to embrace the challenge of taking part in competitive sport. This has had a significant impact on our Key Stage Two children this year. We came second at the Girls Football Festival and finished in the top three of the Key Stage Two School Games competition.</p>
Total Money Allocated	£8500	<p>Summary of key improvements:</p> <ul style="list-style-type: none"> -Children are active and healthy resulting in fewer absences. -children have increased confidence and self-esteem which leads to greater success academically. -children learn to be resilient which then leads to the development of a Growth Mindset in their academic work. -children learning to work together in a team which leads to an improvement in their social behaviours. -children recognise the value of working together to achieve a common goal. -Children learn and improve key sports skills and are competitive.

Premier Sport

Premier Sport is a company which provides expert coaching and sporting opportunities to our school. They work closely with the PE co-ordinator and our teaching staff to ensure that all pupils are given every opportunity to take part in different activities, develop an understanding of being part of a team, of having good sportsmanship and of being competitive. Additionally they work with staff through training to improve the quality of teaching offered.

Additionally Premier Sport work for one our (in an afternoon) each week with our Upper Key Stage Two children to help them develop specific skills for taking part in interschool competitions eg: Tag Rugby, Football, Rounders and Hockey.

Premier Sport provide expert coaching in many key aspects of sport and accompany our teams to sports competitions. We are lucky to have specialist sports staff working with the children. We think this will teach our children about dedication and perseverance and the importance of striving to compete in sport.

Premier Sport provide holiday sports clubs for children so that they are encouraged to be healthy and active when not at school.

Dunmow School Sports Partnership

We have membership of the Dunmow School Sports Partnership which gives our school the opportunity to:

- Take part in interschool competitions-there will be opportunities for all our Key Stage One and Key Stage Two year groups to take part in competitions across a diverse variety of sports including Football, Netball, Swimming and Athletics.
- To have the services of the School Sports Co-ordinator who will work with our staff and children to develop their skills in sport.
- To have dedicated training for our staff both in school and off site.
- We have received Health For Life resources through the Partnership which we deliver as a lunchtime club.
- The grant allows us to transport large groups of children to different sporting events by coach.

Specialist Dance Teacher

On morning per week we employ a specialist Dance Teacher to work with our Year 1 and 2 children and our Year 5 and 6 children to learn specific dance skills for public performance. We rotate this between different children each term.

Swimming

We have an on-site swimming pool and we use the grant to subsidise swimming lessons in the summer term. Lessons are £30 for 10.
