

Friday 30 June 2017

Dear Parents,

As you are probably aware, our annual **Sports Day** is being held on Tuesday 4th July.

Please can your child come to school in the morning wearing their clean **PE kit** (navy shorts or joggers, t-shirt and trainers). Your child will be given a coloured t-shirt to wear on the day but this will remain at school. *All PE kits will be sent home today (Friday) and will not need to be back in school until Tuesday.*

Families are welcome to join us from 12.00pm, during which time you are welcome to share a picnic with your child. If you cannot attend, you may arrange for your child to picnic with another family or request a cold school lunch by emailing the school office.

At 1.00pm the children will all line up and go back into their class for registration. Traditional races will take place from 1.15 to approximately 2.45pm. Winners will be announced and then medals and trophies will be presented on the field.

Please be aware that during the afternoon, our younger children may be taken in for a while, by Mrs Atkinson, if the weather is very hot or if they become very restless during the races.

The school day will probably end a little later than usual due to the medal ceremony.

THERE WILL BE NO SWIMMING ON THIS DAY OR ANY NEED TO BRING READING BOOKS AND HOME SCHOOL DIARIES.

Please be mindful of the weather forecast. Your child will need to wear sun cream and a hat if the weather is good. Alternatively, if the weather is wet we will make the decision to postpone as early as possible.

If you have any further questions please come and speak to one of us.

Many Thanks,

Mrs Crow
