2.0 Introduction

This policy concerns the collection of school meals money and the approach to be taken in cases of debts arising when parent/carers fail to pay for school meals. Parents/Carers will be sent a copy of this policy when their children reach Key Stage Two (KS2).

All pupils in the Foundation Stage and Key stage 1 are now entitled to receive Universal Infant Free School meals

3.0 General Principle

School meals must be paid for in advance. If a pupil is to have meals for the duration of the week, monies must be received in advance of, or during that week. If the school is to accept pupils having an occasional meal, monies must be received during that week.

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on all pupils' education in school is used to pay for debts incurred by individual parents/carers. The governing body see this as unfair on the overwhelming majority of pupils and parents/carers and request that all parents/carers give this policy their full support.

4:0 Free School Meals

KS2 pupils will not be provided with a school meal unless it is paid for, except those confirmed as entitled to free school meals. If parents/carers believe that their child/children may qualify for entitlement to free school meals, they must complete an online application form on the Essex.gov.uk website. The school cannot do this for parents/carers. As this allowance is a statutory right for qualifying pupils it is important that parents/carers make use of it. The school is only allowed to provide free school meals to pupils where entitlement has been verified. It cannot do it without that verification.

Please let us know if you are in difficulties with arrears. Communication with the school is massively important on this issue.

5:0 Procedure for Collection of Arrears

It is accepted that on occasion arrears may arise for various reasons. However, arrears cannot be allowed to accumulate. The governing body has therefore agreed the following policy where arrears arise.

A reminder text message (generated by Parent Pay) will be sent home after one week / in excess of £10 accumulated arrears

The parent/carer will be informed in writing where two weeks / in excess of £20 arrears has accumulated and advised to make immediate payment (Appendix 1).

A final letter to the parent/carer informing them that no meals will be provided for their child/children if payment has not been received by a specified date in accordance with the policy, the date when four weeks of arrears have been accumulated. Also that the Governing Body may begin legal proceedings to recover the debt. (Appendix 2)

Any parent/guardian experiencing financial difficulty may make a claim for the remission of charges which should be addressed to the Headteacher and will be considered confidentially on an individual basis.

No meals to be provided to pupils when arrears exceed four weeks / in excess of £50. Once the final letter deadline has expired the Governing Body will decide whether legal proceedings should begin.
