Great Bardfield Primary School Positive Handling Policy.

At Great Bardfield Primary School we endeavour to:

- Create the right atmosphere for children to work, grow and develop their individual potential, helping them to become competent and confident adults.
- Provide a climate where children learn to co-operate with others and care for their peers and environment; respecting the differences between us.
- High standards are set for behaviour where children are encouraged to follow our school rules and promote our five key skills of respect, resilience, resourcefulness, reflectiveness and responsibility.

Definitions of positive handling

(a) Physical Contact

Situations in which proper physical contact takes place between staff and pupils, e.g. in PE, to comfort pupils or to administer first aid.

(b) Physical Intervention

This may be used to divert a pupil from a destructive or disruptive action, for example guiding or leading a pupil by the hand, arm or shoulder with little or no force.

(c) Positive Handling

This will involve the use of reasonable force when there is a risk to pupils, staff or property or if good order is being seriously prejudiced. All such incidents will be recorded.

Underpinning Values

Everyone attending or working at Great Bardfield Primary School has the right to:

- a recognition of their unique identity
- be treated with respect and dignity
- learn and work in a safe environment
- be protected from harm

Pupils attending this school and their parents have a right to:

- individual consideration of pupils needs by staff that has responsibility for their care and protection
- expect staff to undertake duties and responsibilities in accordance with the school's policies
- be informed about school rules, relevant policies and the expected conduct of all pupils and staff working in the school
- be informed about the school's complaint procedure

The school will ensure that all pupils understand the need to keep within the clearly defined limits which govern behaviour in the school.

Parents commit themselves through the signing of our Home-School Agreement to ensure the good behaviour of their child and that the child understands and follows the School's Behaviour Policy.

Children also agree to follow our school rules which govern behaviour and

sign an age appropriate version of our Home-School Agreement.

Training

Positive Handling training will be made available to designated staff and will be the responsibility of the Head teacher. No member of staff will be expected to undertake positive handling without appropriate training. Prior to the provision of training, guidance will be given on action to be taken.

Strategies for Dealing with Challenging Behaviour

Staff consistently use positive strategies to encourage acceptable behaviour. Every effort will be made to resolve conflicts positively. Where unacceptable behaviour threatens good order and discipline and therefore provokes intervention, some or all of the following approaches will be taken according to the circumstances of the incident:

- a) Verbal acknowledgment of unacceptable behaviour with request for the pupil to refrain; this includes negotiation, care and concern.
- b) Further verbal reminder stating:
 - this is the second request for compliance
 - an explanation of why observed behaviour is unacceptable
 - an explanation of what will happen if the unacceptable behaviour continues.
- c) Warning of potential need to intervene physically and that this will cease when the pupil complies. If possible assistance from another adult should always be sought.
- d) Physical intervention. Reasonable physical intervention using the minimum degree of contact to prevent a child harming him or herself, others or property. Wherever possible this should only be with another adult, be carried out by those trained in Positive Handling and should be in line with guidance provided at specific Positive Handling training.
- e) Where possible the designated safeguarding lead must be called.

Escalating Situations

The 1996 Education Act (Section 550A) stipulates that reasonable physical intervention may be used to prevent

a pupil from doing, or continuing to do any of the following;

- engaging in any behaviour prejudicial to maintaining good order and discipline at the school or among any of its pupils; whether the behaviour occurs in a classroom, during a teaching session or elsewhere (this includes authorised out-of-school activities)
- self-injuring or placing them self at risk
- injuring others
- causing damage to property, including that of the pupil himself or herself
- committing a criminal offence (even if the pupil is below the age of criminal responsibility)

Types of Incidents

Incidents described above fall into 3 broad categories:

Category 1 Where action is necessary in self-defence or because there is an imminent risk of injury

Category 2 Where there is a developing risk of injury, or significant damage to property

Category 3 Where a pupil is behaving in a way that is compromising good order or discipline

Examples of situations which fall within Category 1 or 2:

- a pupil attacks a member of staff or another pupil
- pupils are fighting
- a pupil is causing, or at risk of causing injury, damage by accident, by rough play, or by misuse of materials or objects
- a pupil is running in a corridor or in a way which he or she might have or cause an accident likely to injure him or herself
- a pupil absconds from a class or tries to leave the school

Examples of behaviour which fall into Category 3:

- a pupil persistently refusing to do as requested.
- a pupil is behaving in a way that is seriously disrupting a lesson.

Acceptable measures of Physical Intervention.

Positive handling can only be deemed reasonable if:

- it is warranted by the particular circumstances of the incident
- it is delivered in accordance with the seriousness of the incident and the consequences which it is desired to prevent
- it is carried out as the minimum to achieve the desired result
- the age, understanding and the gender of the pupil are taken into account
- it is likely to achieve the desired result

Wherever possible, assistance will be sought from another member of staff before intervention.

The form of physical intervention may involve staff doing the following:

- physically interposing themselves between pupils
- blocking a pupil's path
- escorting a pupil
- herding a pupil away

****Whenever positive handling is used, staff will keep talking to the pupil.****

Monitoring and Recording of Incidents

Whenever a member of staff has occasion to use positive handling, this will always be recorded and documented. All recording needs to be completed on the day of incident and needs to include the following:

- name of pupil
- date, time and place of incident
- a brief description of the incident and actions taken
- attempts made to calm the situation
- names of people who witnessed the situation
- any damage/harm to persons or property
- name of person informing parents
- after investigation a summary of action taken

After the review of any incident, a copy of the recording form will be placed on the pupil's file.

Monitoring of incidents will help to ensure that staff are following the correct procedures and will alert the Headteacher to the needs of any pupil(s) whose behaviour can only be contained using positive handling. This process will address patterns of incidents and evaluate trends which may be emerging.

Action after an Incident

The Headteacher will ensure that each incident is reviewed and investigated further as required. If further action is required in relation to a member of staff or a pupil, this will be pursued through the appropriate procedure:

- Child Protection Procedure
- Staff Facing Allegations of Abuse Procedure

- Staff or Pupil Disciplinary Procedure
- School Behaviour Policy
- Exclusions Procedure

Members of staff will be kept informed of any action taken.

In case of any action concerning a member of staff, he/she will be advised to seek advice from his/her professional association/union.

Complaints

The availability of a clear policy regarding Positive Handling and early involvement of parents should reduce the likelihood of complaints but may not eliminate them. Any complaints about staff will be dealt with under the school's Complaints about Staff Procedure Policy. The Chair of Governors will be informed of complaints but other governors will not be involved as a complaint may require further action on their part.
