

Great Bardfield Primary School

Primary PE and Sport Premium Grant 2023-2024

Funding

How much (if any) do you intend to carry over from this total fund into 2023/24?	£11,283
Total amount allocated for 2023/24	£17,020
Total amount of funding for 2023/24. To be spent and reported on by 31st July 2024.	£28,303

Aims

At Great Bardfield Primary school we want our children to be active, fit and healthy. We believe that all children should take part in physical activity every day and strive to provide as many opportunities for this as possible within the school day. Following Government guidance, schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that schools should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

KI1 - Increased confidence, knowledge and skills of all staff in teaching PE and sport

KI2 - Engagement of all pupils in regular physical activity

KI3 - The profile of PE and sport is raised across the school

KI4 - Broader experience of a range of sports and physical activities offered to all pupils

KI5 - Increased participation in competitive sport

Review of previous year spend and key achievements (2022/2023)

Activity/Action	Impact	Comments
Employing a swimming teacher in the summer term to ensure all children reach attainment goals	100% Year 6 children achieved ARE in swimming and water safety	A successful strategy, children in Year 5 assessed in readiness for 2023/4
Membership of and attendance at USSP events to increase participation and raise profile of sport in school	100% of year 6 were sports leaders for at least two events this year 100% of children attended a USSP sports event or activity Profile of sport raised within school	Far more events accessed than previous year, membership to USSP assessed as good value. Sports Leaders received training and led some events– ensure this is taken up next year
Increase uptake of extra-curricular clubs to encourage physical activity	50% of children attended at least one sports club	Cost is still a barrier to participation, two clubs to be run free next year, funding to be used to match fund
High quality sports coaches to deliver PE lessons alongside class teachers	Confidence in delivering PE curriculum improved in some teachers	Changes in staffing from external provider have limited progress in this area. Staffing is more stable going into 2023/4.
Increase range of and opportunities for active play during breaks by purchasing an 'activity shed' and equipment	Not achieved	New resources and equipment not yet purchased due to build project – underspend carried over until completion of new build. Also consider reintroduction of play leader system

Key priorities and Planned Spending (2023/2024)

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Run two free extra-curricular morning sports clubs (gymnastics)	Sports coach to lead the activities All children who will take part.
