Newsletter #24 Monday 9<sup>th</sup> March 2026

Last week it was wonderful to see so many parents joining us for your child's learning reviews. We hope you found these meetings, along with your child's mid-year report, useful and informative. Thank you to those parents who also took the time to complete the survey. Your feedback is extremely important to us and plays a key role in helping to shape the ongoing development of our school.

## One Plan Meetings

If your child has a One Plan, you should now have received an updated copy for the Spring Term. I will be holding parent meetings on Wednesday 18<sup>th</sup> March. If you have not yet booked an appointment, please contact Hollie in the school office by telephone or email to arrange a suitable time. Please bring along your annotated copy of your child's One Plan, as this will form the basis of our discussion during the meeting

## Multi Schools Council

Well done to our older school council members who attended the MSC meeting at Notley Green Primary last week. You represented our school fantastically! If you would like to find out more about the work of the Multi Schools Council, click the link below.

## Break the Rules Day

Please support our Break the Rules Day on Friday 20<sup>th</sup> March! Our fantastic PTA have organised this fun

event as part of their fundraising efforts for new picnic benches, which will allow our children to eat, play and work outside when the brighter weather arrives.

Children can choose to break as many of the 'school rules' as they like for 50p per rule. Thank you for supporting the PTA and helping us create even better outdoor spaces for our pupils.

## Online Safety

This week's attached leaflet, from The National College, is titled 'Top tips for setting boundaries around gaming.' Please take a few minutes to read these each week, as they offer

## COURAGE - COMPASSION - COMMUNITY

practical advice to help you support your child in staying safe online.

### Little Princess Trust

Our very brave Poppy in Year 4 took the plunge on Friday and had her beautiful long hair cut into a bob to support The Little Princess Trust.

This wonderful charity provides real-hair wigs, free of charge, to children and young people who have lost their hair through cancer treatment or conditions such as Alopecia. The charity is also one of the largest funders of childhood cancer research in the UK.

The Little Princess Trust relies entirely on the generosity of its supporters, who help the charity continue to give “Hair and Hope” to so many children and young people each year.

If you would like to support this fantastic cause, please click the link below to donate.

### Website

Following the previous Parent Survey, we have listened carefully to your feedback about wanting more information on what your child is learning in school.

We are delighted to share that our school website has been updated in response. Alongside the usual Curriculum Leaflets on each class page, we now have a brand-new Curriculum section where you can find detailed information about each of the subjects we teach.

There are still a few sections to add, but we're excited about this development and hope you will take a look — we think you will find it both informative and helpful in supporting your child's learning at home.
